### **The Commercial Contracting Group Honored by General Motors as a 2006 Supplier of the Year**

**Auburn Hills, Mi** – The Commercial Contracting Group was presented the General Motors 2006 Supplier of the Year award for its overall business performance in providing GM with world-class parts and services. The 15<sup>th</sup> annual award – themed the “Best of the Best” -- was given during ceremonies Saturday, March 31 at the JW Marriott Orlando Grande Lakes in Orlando, Florida.

“We are proud to honor the Commercial Contracting Group as one of the ‘Best of the Best’ GM suppliers in 2006,” said Bo Andersson, GM group vice president, Global Purchasing and Supply Chain. “The Commercial Contracting Group achieved the award based on outstanding performance in 2006. We appreciate their energy, hard work and dedication to the success of GM.”

***“As a 61 year old family company, we can’t express how proud we are to have won General Motor’s Supplier of the Year for General Construction Services. To be recognized by our largest customer with this honor is a tribute to each and every employee in the Commercial Contracting Group who has strived so hard to consistently deliver safety, quality, cost effectiveness, and performance on our projects. General Motors has been and continues to be such an integral part of our corporate and personal culture, we couldn’t ask for any greater validation of our efforts than receiving this tremendous award.” Michael Pettibone Co-Chairman, Commercial Contracting Group.***

The GM Supplier of the Year award began as a global program in 1992. Winners are selected by a global team of executives from purchasing, engineering, manufacturing and logistics who base their decisions on supplier performance in quality, service, technology and price. This year, General Motors honored 89 suppliers for their outstanding performance throughout 2006.

**The Commercial Contracting Group is an international construction firm that provides process equipment installation, general building contracting and program management services throughout the United States, Canada and Mexico.**
